1995-2004	Assistant Professor at the Department of Clinical Psychology of the Radboud University
1994-1998	Chair of the academic outpatient centre Ambulatorium FSW in Nijmegen
1990-1996	Psychologist at the outpatient centre HSK-group

### **Membership in Professional Associations**

Since 2012	Member of Dutch Federation of Mental Health Care Psychologists (NVGzP)
2011-2015	Member of Board of Specialists in Mental Health Care Psychology (College Specialismen Gezondheidszorgpsychologen)
Since 2003	Member of the research group NijCare (Nijmegen Centre of Anxiety Research and Expertise), a collaboration of BSI and Pro Persona
Since 2003	Member of the graduate school Behavioural Science Institute
1997-2007	Member (and chair from 2001 to 2004) of the Conference Committee of the Dutch and Flemish Associations of Behaviour and Cognitive Therapy
1997-2006	Senior member of the national graduate school Experimental Psychology
1996-2003	Member of the research school Rutten Institute
Since 1995	Member of the Dutch Association of Behaviour and Cognitive Therapy (VGCT)
1988-1994	Member of the national graduate school Affective Processes

1986-2018 Member of the Dutch Psychologists Association (NIP)

### **University Management**

2014-2017 Member of Ethical Review Committee Psychology and Neuroscience of Maastricht University

2011-2012 Chair of Honours Program of Mental Health Care Psychology

2010-2014 Member of the panel on innovation of post-master's programs on mental health care psychologists specialists, representing Clinical Psychologists

Since 2009 Chair of master specialisation Mental Health Care Psychology at Radboud University of Nijmegen.

2007-2012 Member of the scientific committee of Behavioural Science Institute, responsible for the (intern) evaluation of grant applications

2006-2009 Member of several boards on developing the master program Mental Health Care Psychology

2003-2006 Member of the education committee of the graduate school Experimental Psychopathology

2003-2013 Member of the exam committee of Psychology and Artificial intelligence

2003 Member of the appointed committee for a position as the director of the academic outpatient clinic Ambulatorium FSW and for a professor position 'Clinical Psychology'

2000-2002 Member of the Committee on Implementation of National Guidelines in mental health care under the auspices of the National Task Force Multidisciplinary Guidelines

1998-2003 Member of the scientific committee of Rutten Institute, responsible for the (intern) evaluation of grant applications

### **Teaching Experience**

Academic teaching qualifications (BKO and UKO) since their introductions in 2010

Academic level: bachelor (ba), master (ma), or post-master (pma)

#### *Annual courses*

Since 2017 Course: Work and Health (ma)

Since 2016 Course: Development and mental health (ba)

Since 2015 Course: Scientific fundamentals of psychological treatment (pma)

Since 2010	Course: Psychopathology (ma)
Since 2010	Course; Applied research methods (ba)
Since 2005	Course: Psychological treatments (ma)
Since 2002	Course: Psychotherapy (ba)
1997-2009	Course: Psychopathology I and II (ba)
1995-1999	Course Applied research methods (pma)
1990-1992	Course: Patient-therapist interaction (ba)

*Annual training & workshops*

Since 2005	Workshop: Self-control procedures (ma)
1998-2009	Training: Behaviour therapy (ba)
Since 1996	Workshop: Motivating patients to change (ma)
1996-2005	Workshop: Cognitive therapy (ma)

*Lectures*

Since 2019	Lecture: Burnout: classification and treatments (ma)
Since 2010	Lecture: Self-control and impulse-control disorders (ba)
2008-2009	Lecture: Anxiety disorders at Sate University of Groningen (ba)
2005-2008	Lecture: Impulse-control disorders and their treatments at University of Maastricht (ma)
2007-2010	Lecture: Psychotherapy and brain processes (ba)
Since 2005	Lecture: Treatment outcome research (ba)

*Supervision*

Since 2018	Supervision of clinical psychologists in training at TOPGGz Center of Depression of Pro Persona (pma)
2005-2008	Supervision bachelor theses (ba)
Since 1988	Supervision of master theses (ma)
1988-2018	Supervision of interns at the academic outpatient treatment center Ambulatorium FSW

*Workshops in professional mental health care settings*

2007-2008	Workshop Therapeutic reflection at national school for Mental Health Care Psychologists
Since 1998	One-day workshops for Argonaut and Cure and Care Development: CBT for anxiety disorders; CBT for panic disorder; cognitive therapy;

1990-1992      CBT for burnout; Patient-therapist interaction and motivation  
Training Hamilton Depression Rating Scale, Hamilton Anxiety Rating Scale, Anxiety Disorders Schedule-revised at inpatient mental health care institute Wolfheze

### **Scientific Services**

Reviewer for ZonMW, Dutch organization for Health and Health Care Innovation

Reviewer for the following journals:

Behaviour Research and Therapy  
Behavioural and Cognitive Psychotherapy  
Clinical Psychology and Psychotherapy  
Depression and Anxiety  
European Child and Adolescent Psychiatry  
European Journal of Psychiatry  
Gedrag & Organisatie  
Journal of Behavior Therapy and Experimental Psychiatry  
Journal of the American Academy of Child and Adolescent Psychiatry  
Journal of Clinical Psychology  
Journal of Clinical and Consulting Psychology  
Maandblad Geestelijke Volksgezondheid (columnist)  
Neuropsychiatry  
Journal of Mental Health  
Psychology and Psychiatry: Theory, Research, and Practice  
Stress and Health  
Tijdschrift voor Psychiatrie

### **Promotor or co-promotor of PhD Projects**

Hella Janssen      *Identification and treatment of imagery and auditory hallucinations in psychotic disorders.* Promotor prof. M Marcelis, co-promotor prof. G.P.J. Keijsers, supervisor K. van den Berg. Expected completion date: 2024.

Leila van Heiningen      *Understanding and influencing relapse after successful treatment of trichotillomania en excoriation disorder:* Promotor prof. G.P.J. Keijsers, co-promotor dr W-G. Lange. Expected completion date:

- 2023.
- Karin van den Berg *Imagery in bipolar disorder*. Promotor prof. G.P.J. Keijsers, co-promotor dr. M.J. Voncken. Expected completion date: 2022
- Aysun Tasdemir *Chronic embitterment*. Promotor prof. G.P.J. Keijsers, co-promotor dr M.S. Vroling. Expected completion date: 2023
- Jorg Tanis *Implementation intention in binge-eating and binge-eating disorder*. Promotor prof. G.P.J. Keijsers, co-promotor dr. M.S. Vroling. Expected completion date: 2022.
- Naline Geurtzen *Causal factors of treatment dependency*. Promotor prof. G.J.M. Hutschemaekers, co-promotor dr. J.C.T.M. Karremans. Expected completion date: January 2022
- Joyce Maas *Manipulation of implicit cognitive processes in the treatment of unwanted habits*. Promotor prof. E.S. Becker. Promotion date: March 19, 2015
- Arno van Dam *Failures in executive control in burnout patients*. Promotor prof. E.S. Becker. Promotion date: April 18, 2013
- Wiede Vissers *Remoralisation effects in psychotherapy*. Promotor prof. G.J.M. Hutschemaekers. Promotion date: October 13, 2010
- Gert-Jan Hendriks *Studies on the treatment of late-life anxiety and late-life panic disorder*. Promotor prof. C.A.L. Hoogduin. Promotion date: December 1, 2009
- Gero Lange *Attention and interpretation biases in social phobia*. Promotor prof. E.S. Becker. Promotion date: February 9, 2008
- Cara Verdellen *Exposure and response prevention in the treatment of tics in Tourette's syndrome*. Promotor prof. C.A.L. Hoogduin. Promotion date: October 31, 2007
- Mirjam Kampman *Studies on treatment non-responses in panic disorder and obsessive-compulsive disorder*. Promotor prof dr. C.A.L. Hoogduin. Promotion date: February 4, 2003
- Karin Roelofs *Disturbed information processing in conversion disorder*. Cum laude promotion. Promotor prof. C.A.L. Hoogduin. Promotion date: February 7, 2002

## Grants

- 2018 Wetenschapsfonds RINO Zuid: Embitterment
- 2016 Wetenschapsfonds RINO Zuid: Imagery in bipolar disorder
- 2010 ZonMW TOPsubsidie: Empirically-based diagnostics for empirically

- based treatments: Toward a vademecum psychodiagnosticorum for ESTs (co-applicant)
- 2008 Interne wervingsronde voor structurele juniorplaats: Manipulation of implicit cognitive processes in the treatment of unwanted habits
- 2007 Research project: Stepped care interventions for patients with panic disorder. Praktijkzorgprojecten ZON/Mw (advisor)
- 2004 PhD project: Specific and generic psychotherapy-effects by ZON/Mw (co-applicant)
