

Curriculum vitae

PERSONAL INFORMATION

Family name, First name: Huck, Wilhelm

Research ID: B-1471-2012

Nationality: Netherlands

Date of birth: 01/01/1970

URL for web site: <http://www.ru.nl/physicalorganicchemistry/>

• EDUCATION

- 1997 Ph.D. in Chemistry, Twente University, the Netherlands.
Supervisor: Prof. D. N. Reinhoudt
- 1992 M.Sc. in Chemistry (cum laude). Leiden University, the Netherlands

• CURRENT POSITION

- 2010 – Professor of Physical Organic Chemistry
Institute of Molecules and Materials, Radboud University, Nijmegen, the Netherlands

• PREVIOUS POSITIONS

- 2007-2012 Professor of Macromolecular Chemistry, University of Cambridge
- 2004-2010 Director, Melville Laboratory for Polymer Synthesis, University of Cambridge
- 2003-2007 Reader in Chemistry, University of Cambridge
- 1999-2003 University Lecturer. University of Cambridge, UK
- 1999-2009 College Lecturer and Fellow of Gonville and Caius College, Cambridge, UK
- 1997-1999 Postdoctoral Research, Harvard University, USA, Supervisor: Prof. G. M. Whitesides

• FELLOWSHIPS AND AWARDS

- 2018 Knight in the Order of the Netherlands Lion
- 2017 Elected to the Academia Europaea
- 2016 NWO-Spinoza Prize
- 2012 Fellow of the Royal Netherlands Academy of Arts and Sciences (KNAW)
- 2011 VICI award of the Netherlands Organisation for Scientific Research (NWO)
- 2010 ERC Advanced Grant
- 2009 Friedrich Wilhelm Bessel Research Award of the Alexander von Humboldt Foundation, Germany
- 2004 DuPont Young Professor Award
- 2002 MacroGroup UK Young Investigator Medal
- 2001 Young Investigator Medal of the Royal Society of Chemistry, MacroGroup UK
- 1997 DSM Award for best Ph.D. research in the Netherlands in polymer-related chemistry
- 1996 Schloëßmann Award from the Max Planck Gesellschaft zur Förderung der Wissenschaften
- 1992 Winner of the Shell International Business Competition
